Dear Sen. Pimentel:

We wish to extend our heartfelt appreciation and gratitude on behalf of the many indigent patients who were benefited by your Priority Development Assistance Fund amounting to One Million Pesos (P1,000,000.00), which you have allotted to the National Kidney and Transplant Institute. The fund under SARO No. B-04-02130 dated August 23, 2004 was received on April 25, 2005 under OR# 1064054.

We hope that the Institute and its patients will continue to be among the worthy recipients of your financial assistance.

Rest assured that NKTi would always be your partner in providing the best quality health care services to your constituents needing hospitalization and treatment.

Mabuhay po kayo!

Very truly yours,
