Dear sir:

I am one of the interns under the CIPYML (Congressional Internship Program for Young Muslim Leaders) you have met last May 25 at the SEPO. I am a faculty member of the Notre Dame of Jolo College, Jolo, Sulu. Sir, thank you for inspiring us in ways that you may not figure out. We were inspired by your sincerity & strong determination in promoting the welfare of the Mindanaonons especially the Muslims. Personally, I am greatly impressed on how you articulate our issues & concerns and appreciate your advocacy on Federalism. You can count on us for full support. I am also touched by your optimistic views on our future. Wish our Muslim leaders would emulate you.

We pray for your good health & more successes in your endeavors! We Love you!

Sincerely yours,

Neyrezza S. Sepnio
