Dear Senator Pimentel,

Warmest greetings! Once again I would like to express my sincerest gratitude for and in behalf of the children and staff of Chosen Children Village for your support and generosity.

Caring and concerned benefactors like you are a blessing to us and make all our endeavors to care for and provide a home for our little angels truly worthwhile.

May the good Lord continue to shower you and your family with all His blessings for all the wonderful work you do for His children.

Sincerely,
