

July 18, 2005

HON. AQUILINO Q. PIMENTEL  
Senator  
Senate of the Philippines

Dear Sen. Pimentel,

We wish to express our sincerest gratitude for the medical assistance you provided to our son Tristan Roy, who had undergone a successful open heart surgery performed at the Philippine Heart Center last June 25, 2005. Tristan is now recuperating at home and hopefully will soon be living an active and productive life again.

Our family will always remember the benevolence you have shown to us through the rest of our life.

Again, thank you very much and more power to you.

Sincerely yours,

  
Mr. and Mrs. Eduardo Munsayac and Family
